

UUMAN Alcohol Policy

When alcohol is available or consumed at any event on UUMAN property, an adult charged with monitoring alcohol consumption must be present at all times in the area where the alcohol is being served. It is the responsibility of the party renting UUMAN facilities to ensure that no alcohol is available to those under age 21. If the event is open to the public, a pouring license from the city of Roswell is required. The party renting the UUMAN facility must contact the city of Roswell to purchase a temporary pouring license, a copy of which is to be filed with the UUMAN church administrator. Any leftover alcohol must be removed from UUMAN property at the conclusion of the event.
